ABOUT EZECON 2026

EZECON 2026 is Eastern India's flagship emergency medicine conference, providing a concentrated, credible platform for meaningful engagement with the region's emergency and critical care community.

Key Sponsor Outcomes:

- 1. Concentrated Audience:** Meaningful visibility in front of acute care decision-makers who directly influence clinical practice, purchasing decisions, and training priorities.
- 2. Academic Association:** Association with a recognized professional society (SEMI) and a flagship regional academic event.
- 3. Direct Brand Engagement:** Multiple physical and digital touchpoints including exhibition space, signage, conference materials, and digital promotions.
- 4. Support Education:** Opportunity to support medical education, skills development, and frontline emergency care improvement.

Legacy Context:

EZECON 2025 recorded more than 450 delegate registrations, with faculty participation from across India and international faculty from the United Kingdom. This strong momentum significantly strengthens the value proposition for 2026 partners.
